Product Description

100% Biodegradable Pva Water Soluble Bags T Shirt Shopping Custom Printed Logo

water soluble film use excellent PVA as raw material and can be totally soluble in cold water. It can be completely dissolved in the water with/under temperature of 20°C within 2 minutes without any leavings such as draw-thread or gumming. The color of the cloth dissolved is the same with that before solution.

It could be processed according to customers demand of any size and specification.
